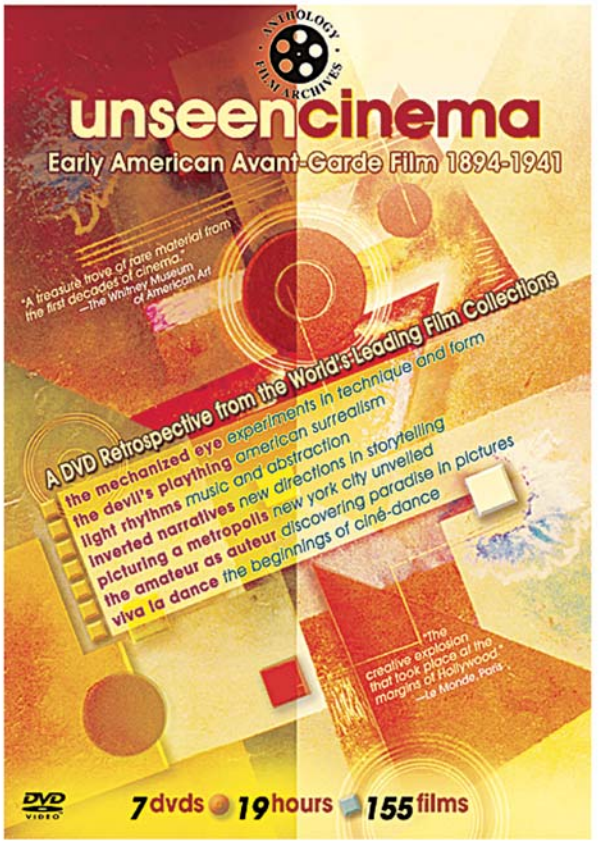
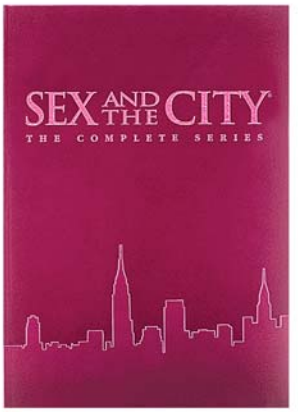
HOLIDAY GIFT GUIDE

ENTERTAINING GIFT IDEAS

It may be better to give than to receive, but who can resist all these cool gifts just waiting to be taken home? There are DVD and audio box sets, technology for the home and home theater, iPod stocking stuffers, on-the-go convenience, a whole gob of gadgets and gizmos, and, of course, the hottest video games and accessories available! This all just goes to show ya that the holidays are about a whole lot more than Aunt Edna's fruitcake. Happy shopping!

BOX SETS





RAY HARRYHAUSEN GIFT SET SONY PICTURES HOME ENTERTAINMENT

• Watch aliens, giant octopi and other treacherous monsters from deep space terrorize Earth in three classics from the 1950s. Also included is an exclusive scrapbook with excerpts from *Ray Harryhausen: An Animated Life,* which details how he has influenced the entire realm of special effects.

LA DOLCE VITA DELUXE COLLECTOR'S EDITION KOCH LORBER FILMS

• The movie, of course, but also interviews with the director and actors that have been done over the years, plus rare footage and additions.

REBEL SAMURAI: SIXTIES SWORDPLAY CLASSICS THE CRITERION COLLECTION

• This collection of samurai tales from the 1960s typifies the genre's pop-culture appeal. Additions include interviews and featurettes, along with essays by film and cultural critics.

THE MEMOIRS OF SHERLOCK HOLMES/MPI MEDIA GROUP

• Jeremy Brett and Edward Hardwicke return for their final bow; Holmes and Watson are back on the case with six more arduous mysteries to solve. Commentary by the producer and production notes are included.

UNSEEN CINEMA: EARLY AMERICAN AVANT-GARDE FILM 1894-1941 IMAGE ENTERTAINMENT

• Sixty of the world's leading film archive collections cooperated to produce this mammoth seven-disc, 155-film DVD anthology of film history, which includes rarities from Orson Welles, Ernst Lubitch and Man Ray.

KING KONG: PETER JACKSON'S PRODUCTION DIARIES UNIVERSAL STUDIOS HOME ENTERTAINMENT

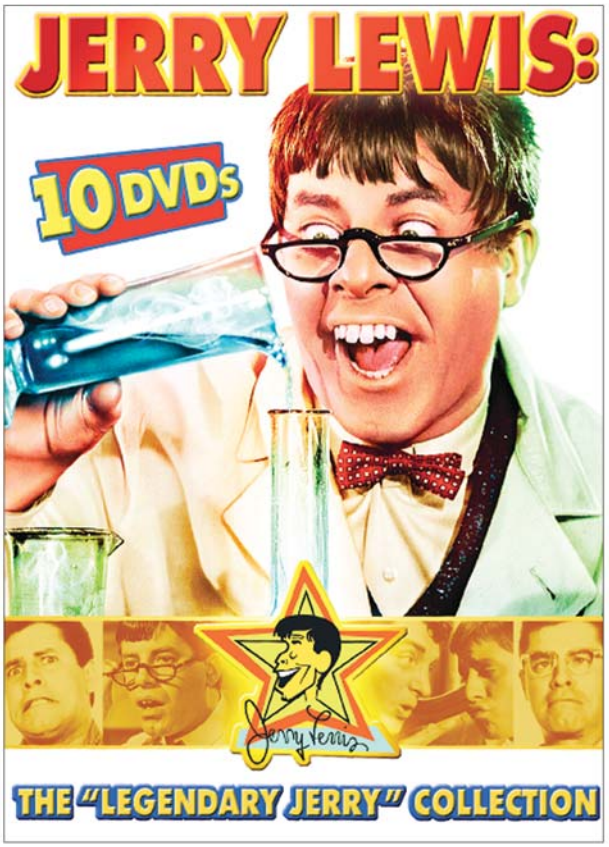
• Get the skinny on how this master director approached a project bigger than life. This limited-edition gift set comes with a full-color book accompanied by four exclusive production lithographs, plus a numbered letter of authenticity and two DVDs containing production diaries, an introduction by Jackson and a special look at the creation of the spectacular Kong/T-Rex battle scene.

THE POLAR EXPRESS GIFT SET WARNER HOME VIDEO

• Marking the 20th anniversary of the novel, which is included with the two-disc Special Edition DVD, this set contains spectacular special features plus a Limited Edition Polar Express Snow Globe and even a Brio wooden train.

THE LEGENDARY JERRY COLLECTION/PARAMOUNT HOME ENTERTAINMENT

• Comprised of 10 of Jerry Lewis's films from 1953 to 1965, titles include *The Ladies' Man, The Patsy, The Nutty Professor, The Errand Boy, The Stooge, The Bellboy, The Delicate Delinquent, Cinderfella, The Disorderly Orderly* and *The Family Jewels.* Includes supplementary features such as bloopers and commentaries by Lewis.



SEX AND THE CITY: THE COMPLETE SERIES
HBO VIDEO

• Available for the first time, the entire series is presented in a rose-colored, velvet photo album. The 20-disc DVD set includes new bonus materials, such as a show highlight reel and a video jukebox with advice, quips and quotes, as well as a guide to the New York restaurants, clubs and boutiques featured on the show.

BUFFY THE VAMPIRE SLAYER COLLECTOR'S SET
FOX HOME ENTERTAINMENT

• Those who miss seeing Buffy seriously kick demon, vampire and supernatural butt need look no further than this limited edition set containing the entire seven seasons. A bonus disc, a collectable book and a letter personally signed by creator Joss Whedon are included.

MAISON IKKOKU
VIZ, LLC.

• As created by Rumiko Takahashi (the best-selling female anime artist in the world and creator of the martial-arts comedy, *Ranma 1/2,* also from Viz), young love and complications clash with hilarious results in this old-style anime about a college student living on his own in an apartment of very, very odd people.

THE COMPLETE MONTY PYTHON'S FLYING CIRCUS 16-TON MEGASET
A&E HOME VIDEO

• Packed with every madcap moment from the series' four-year run, two additional discs are included with every moment from *Monty Python Live.* Bonus features are added, of course, so please line up at the queue and silly-walk your way to this massive collection.

ALFRED HITCHCOCK: THE MASTERPIECE COLLECTION
UNIVERSAL STUDIOS HOME ENTERTAINMENT

• This definitive 15-DVD box set includes such classics as *Saboteur, Rear Window, The Man Who Knew Too Much, Psycho, The Birds* and more. Extras are plentiful and intriguing. Besides an informative booklet, there's a bonus disc with tributes to the master director as well.

GANKUTSUOU: THE COUNT OF MONTE CRISTO
GENEON ENTERTAINMENT (USA)

• A retelling of Alexandre Dumas's classic novel, moved into a futuristic setting that is wild and colorful, yet still true to the passions, desires and cruelty that make us human.

COMIC PARTY THE RIGHT STUFF

• Remember liking comics as a kid? Think what it'd be like to try and draw your own and then sell them at the biggest comic event in all Japan. 'Course, not being all that talented and having a bunch of crazy friends doesn't help.

AUDIO

BORN TO RUN 30TH ANNIVERSARY EDITION
SONY BMG MUSIC ENTERTAINMENT

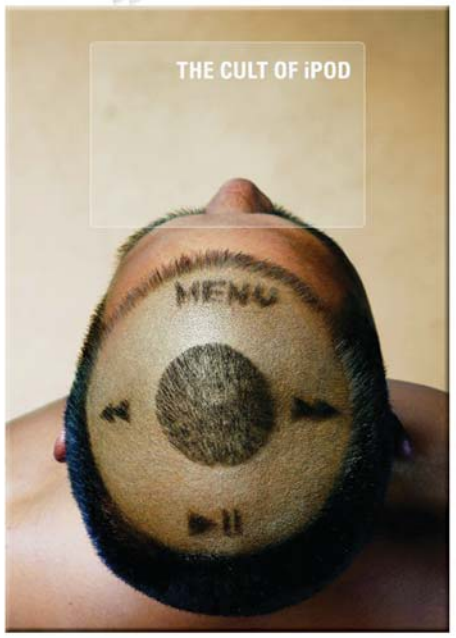
• This three-disc set includes a digital remastering of Bruce Springstein's now-classic album, along with a DVD of a never-before-seen 1975 concert from London. Also included are a documentary DVD and a 48-page booklet filled with unpublished photos.

A MUSICAL HISTORY – THE BAND
CAPITOL RECORDS

• A wide collection of songs, both studio and live, plus a DVD featuring performances as well. While not quite as extensive as might be hoped, it is still a grand effort that fans will appreciate.

TALKING HEADS DUALDISC BRICK
RHINO ENTERTAINMENT

• Don't ever say you can't get enough Talking Heads, because this brick contains every one of their studio albums – from their 1977 debut to 1998's end point. The stereo has been remastered and bonus tunes added; but after listening, flip the disc over to gain DVD-Audio – which means 5.1 multichannel sound plus extra video and audio content (early versions as well as live) in addition to lyrics and photos.



SMARTDECK INTELLIGENT CASSETTE ADAPTER FOR IPOD
GRIFFIN TECHNOLOGY, INC.
WWW.GRIFFINTECHNOLOGY.COM

• Users can now control their iPod with their cassette player by using Volume and Stop as well as the Forward and Rewind buttons to reverse/advance to the next song on the iPod playlist. The iPod will automatically pause when the cassette Eject button is depressed. For third and fourth generations with click wheel, iPod Photo and Mini (Nano-compatible version is coming.)

IBALL
OREGON SCIENTIFIC
WWW.OREGONSCIENTIFIC.COM

• This unique, three-driver array, wireless speaker provides tunes for all models of iPods up to 100 feet away. The dock charges the iPod, synchronizes with your computer and transmits the sound with built-in remote capability.

TUNETECH FOR IPOD
PROSOFT ENGINEERING
WWW.PROSOFTENG.COM

• This Macintosh-based software is a comprehensive utility designed for recovering deleted songs, repairing and backing up or optimizing the files on your hard-drive-based iPod.

TUNECOMMAND
BELKIN
WWW.BELKIN.COM

• Play songs from your iPod virtually anywhere using wireless radio frequency. The remote works from up to 150 feet away, regardless of barriers that limit traditional remotes. For 3G, 4G, Photo and Mini iPod.

NANO CASES
SPECK PRODUCTS
WWW.SPECKPRODUCTS.COM

• The newest (and smallest) iPod needs and gets protection from the Nano SkinTight Deluxe rubberized skin, which features a convenient holster and a removable screen protector. The ToughSkin Nano iPod cover provides rugged protection, while the Grass FunSkin's unique and attention-grabbing design provides for fun as well as functional protection.

THE CULT OF IPOD
NO STARCH PRESS
WWW.NOSTARCH.COM

• Discover how Apple's portable player has changed music, culture and listening behavior for fans around the world. The book includes an exclusive back-story of the iPod's development, looks at the many ways iPod users pay homage to their devices and also investigates the quirkier aspects of iPod culture.

DLO MINI FM
DIGITAL LIFESTYLE OUTFITTERS
WWW.DLO.COM

• Switch from music to FM radio with the push of a button. Powered by the iPod Mini, the self-powered radio and volume amplifier fit seamlessly onto the top and also boost the volume capacity.

DRIVE + PLAY
HARMAN KARDON
WWW.HARMANKARDON.COM

• Drive + Play puts the familiar iPod menu on a backlit display right on your car's dashboard or windshield, with accessories for connecting to the car's audio system. For all docking iPods, including Mini, Photo and Nano.

HOME ALONE

OUTLAW AUDIO RECEIVER

THE ELEVEN FORTY

ELADIUS VIDEO ARCADE CABINET

BOSTON ACOUSTICS RECEPTOR RADIO

BATMAN ELECTRONIC FREESTANDING PINBALL
HASBRO
WWW.HASBRO.COM

• Small enough to fit in easily, there's still the full arcade experience of pinball, courtesy of Batman graphics, flashing lights, electronic scoring and cool sound effects.

RR2150 STEREO RECEIVER
OUTLAW AUDIO
WWW.OUTLAWAUDIO.COM

• The RR2150 combines the elegant design of classic table radios with the sonic quality, flexibility and power of a modern audio product. Inclusion of true bass management and a USB input provide the technology of today, making this the "last great stereo receiver."

RECEPTER RADIO HD
BOSTON ACOUSTICS
WWW.BOSTONACOUSTICS.COM

• Featuring new HD radio technology, the Receptor is one of the first HD home radios to become available. This high-performance, digital AM/FM stereo table model delivers powerful and clear, high-fidelity sound while providing additional station and song information via a big and bright LCD screen. A small satellite speaker and credit card-sized remote control are also included.

BODYSOUND HOME ENTERTAINMENT CHAIR
BODYSOUND TECHNOLOGIES, INC.
WWW.BODYSOUNDSYSTEM.COM

• The BodySound Chair is a stylish and comfortable recliner containing an embedded, wireless amplifier with six strategically placed audio speakers. These conduct sound directly through the body, in addition to the immediate ambient environment.

OPUS
THE ELEVEN FORTY COMPANY
WWW.ELEVENFORTY.COM

• This unique football table features micro-cast 3D heads taken from photographs to bring life-like realism to the faces of the friends and family you want on your dream teams. Each table is handcrafted in etched glass, stainless steel and a choice of stunning woods.

ELADIUS PERSONAL VIDEO ARCADE CABINET
DREAMAUTHENTICS
WWW.DREAMAUTHENTICS.COM

• These custom-built cabinets play both classic titles such as *Centipede* and *Missile Command* as well as modern video games. The combination of up-to-date software and the physical gaming controls replicate the exact control and feel of commercial stand-up consoles found throughout arcades since the 1980s.

INSTANT HDTV PCI
ADS TECH
WWW.ADSTECH.COM

• This PC card turns computers running Windows XP into home media centers for watching, recording and playing high definition as well as standard television. Among the software included, NeroVision Express automates the process of compressing the high quality HD content from your hard drive to DVD.

RUSSOUND ST2S SMART DUAL TUNER RUSSOUND WWW.RUSSOUND.COM

• The ST2S lets homeowners choose from 120 SIRIUS Satellite Radio channels as well as local AM/FM stations. It features an intuitive information display, RNET technology for two-way communication with other Russound components, and extensive options for programming.

SURROUNDBAR POLK AUDIO WWW.POLKAUDIO.COM

• Working with any surround sound receiver, the single, slim SurroundBar offers immersive surround sound through patented technology that removes the need for rear speakers. Designed to complement the HDTV experience, it's the perfect match for flat panel and shallow screen TVs.

QUEST X3ME (EXTREME) RECLINER D-BOX/WWW.D-BOX.COM

• Quest X3me motion-simulation seating immerses the viewer in realistic motion that is perfectly synchronized on three separate axis points with the onscreen action and sound – replicating front/back, left/right AND up/down motion. Actuators – two mounted in the front arms of the chair and the third in the rear center – deliver up to two Gs of acceleration and provide up to 1.5 inches of vertical travel. There are two control systems to choose from and hundreds of compatible DVD titles available.

YSP-800 SPEAKER YAMAHA/WWW.YAMAHA.COM

• The slim, compact YSP-800 provides true multichannel surround sound through the use of proprietary technology that automatically calibrates and optimizes room acoustics. It can be mounted under a plasma or set on furniture.

IN-CORNER SUB SYSTEMS ATLANTIC TECHNOLOGY WWW.ATLANTICTECHNOLOGY.COM

• These In-Corner Subwoofer systems are designed for placement in the corner of a home theater, giving them enhanced bass performance while minimizing their visual impact on the room. All systems employ a single amplifier powering either one or a pair of down-firing, long-throw subwoofer modules.

INTEGRA DTR 10.5 A/V RECEIVER INTEGRA/WWW.INTEGRA.COM

• A card-based architecture provides a flexible upgrade path and allows consumers to purchase only the features they desire. The optional modules include HDMI digital video, iLink digital audio for SACD/DVD-A and NetTune Ethernet audio, plus analog and digital connectivity choices.

PEPPER PAD PEPPER COMPUTER WWW.PEPPER.COM

• It won't fit in your pocket, but there's something gratifying about a two-pound master device that contains so much tech: a large, 8.4-inch, high-resolution, color screen with a 20 gigabyte hard drive just aching to hold music, video, digital photos and so much more. The built-in navigation and thumb keypad makes it a snap to surf the web, send e-mail or text messaging, or control any device (it's like a remote on steroids). Add Wi-Fi, Bluetooth and Infrared control, and you're good to go anywhere in (or out of) the house.

ELP LASER TURNTABLE LASER TURNTABLE LTD. WWWW.AUDIOTURNTABLE.COM

• Combining past and modern technology results in a turntable that uses laser beams to play vinyl records. Those who have kept their old LPs can now keep them out without feeling "old school."

KEF INSTANT THEATRE KIT200 5.1 SYSTEM KEF/WWW.KEFAMERICA.COM

• The KIT200 System has a high-gloss, black finish that will complement any room décor. Five satellite speakers, featuring the Uni-Q wide dispersion array and a remote controllable head unit, support an AM/FM tuner, DVD player and multiple inputs and outputs. Optional matching floor stands are also available.

AQUOS LC-65D90U 65" LCD TELEVISION SHARP/ WWW.SHARPUSA.COM

• The AQUOS 65-inch HD liquid crystal display has a full 1080p, 1920 x 1080 resolution. There is a new, four-wavelength backlight system for an enhanced color spectrum and deeper and more vivid reds, along with a fast response time and high brightness and contrast. It also has a CableCard slot to enjoy the latest HDTV offerings as well as HDMI, IEEE1394 and DV-I digital interfaces.

ON THE GO

PICTURE PORTER
DIGITAL FOCI
WWW.DIGITALFOCI.COM

• There's no running out of space on your digital camera or memory card with Picture Porter handy. The digital drive (20 or 40 gigs) sucks up images or video through its built-in memory card slots right on the spot. Transfer them to your computer through the USB port, watch on the two-inch LCD color screen or connect it to a TV. Available in frosted white or graphite, it also functions as a MP3 player.

HDR-HC1 HD CAMCORDER
SONY/WWW.SONYSTYLE.COM

• Sure you'll need high definition video editing software on your PC or Mac, but it's worth the trouble when you've been shooting with this bad boy. It records to tape images that before were only available on professional, high-end cameras, but is now conformed to the camcorder shape we have all grown accustomed to. That includes all the controls and niceties, such as image stabilization and a touch-screen LCD flip-out screen.

ROADSTER CONVERTIBLE
ROADWIRED
WWW.ROADWIRED.COM

• Designed to hold more than you need, the Roadster rides smoothly on inline skate wheels, and can be converted from a rolling laptop bag to a photo/multimedia case or an overnight carry-on simply by rearranging the included insert module. There's over two dozen compartments and pockets, with a protected space for virtually any gadget or accessory.

SIRIUS S50
SIRIUS SATELLITE RADIO
WWW.SIRIUS.COM

• Combining live reception with up to 50 hours of content storage capability, this wearable satellite receiver includes a full color display, sleek black exterior and voice-assisted channel navigation. Besides capturing Sirius channels, MP3/WMA audio can be listened to as well.

NOISEBUSTER ENC EARMUFF
WWW.NOISEBUSTER.NET

• When you've heard enough, slip on the NoiseBuster Electronic Noise Canceling Earmuff. The noise-canceling feature makes it an excellent choice for do-it-yourselfers and motor sports fans. Your ears will stay warm, too.

ATARI FLASHBACK2 CLASSIC GAME CONSOLE
ATARI/ WWW.ATARI.COM

• Modeled after the venerable 2600 but two-thirds the size, the Flashback2 travels light and plugs into a television to display its classic load of 40 games such as *Asteroids, Missile Command* and *Centipede*. Additional retro and never-before-seen titles are also included, as are two original-style hand controllers. And then there's that nifty "wood-grain" appearance...

FS.1 HD EARPHONES
XTREMEMAC
WWW.XTREMEMAC.COM

• These earphones are designed with proprietary drivers for producing a natural tone and rich, deep bass. The level of audio quality, performance and style makes the FS.1 optimal for use with a wide range of devices including iPods, portable DVD players and gaming systems.

INSTANT TV FOR NOTEBOOKS
ADS TECH/WWW.ADSTECH.COM

• Insert into a laptop PC to turn it into an affordable, no-fee entertainment center for making digital recordings of your favorite television programs. New software bundles deliver time-shifting capabilities, an electronic program guide, photo slide show production and music capabilities.

A-1000 ALL-IN-ONE HEADREST MONITOR/DVD PLAYER FOR '06 MERCEDES-BENZ M-CLASS SUV
VIZUALOGIC
WWW.VIZUALOGIC.COM

• Designed to match all M-Class models and interior colors, the system features a seven-inch monitor and integrated top-loading DVD player matching the exact shape, size and color of the original factory headrest. Just remove the existing factory headrest and replace it with the A-1000 system, put in a DVD and enjoy.

C5 DIGITAL MEDIA CAMERA
SANYO
WWW.SANYODIGITAL.COM

• This pocket-sized digital media camera features five-megapixel resolution for still images while simultaneously shooting 30 fps MPEG-4 video (with digital image stabilization). It offers a two-inch LCD screen, a 5X optical/12X digital zoom, multifunction docking station and storage on removable SD memory cards.

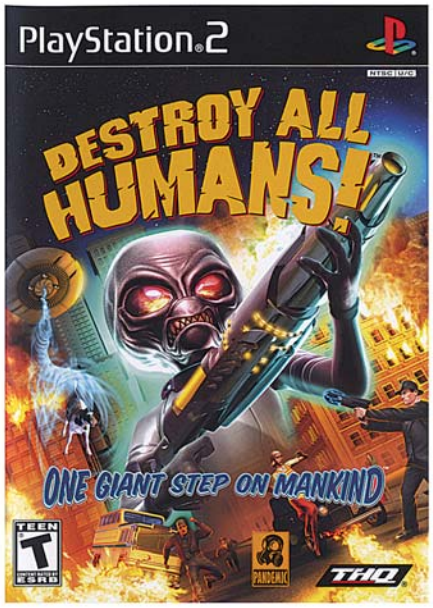
SEGWAY GT
SEGWAY OF CHICAGO
WWW.SEGWAY.COM

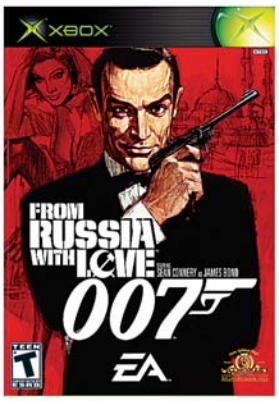
• No caddy can match the ease at which a Segway handles golf clubs. Sure, it can't hand you the nine-iron on command, but now you decide when it's time to move on or stay to study that green just a little bit longer.

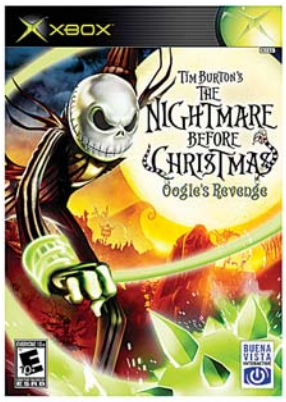
D1420 HAND-HELD DVD PLAYER
AUDIOVOX
WWW.AUDIOVOX.COM

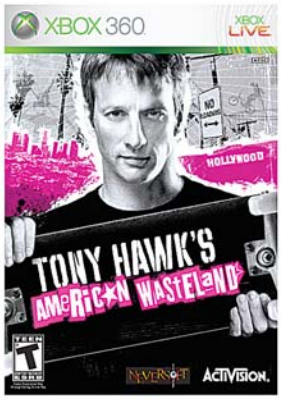
• The D1420 features a 4.2-inch, color, 16:9 aspect ratio screen, built-in stereo speakers and rechargeable battery. It plays DVD, CD, MP3, CD-R, CD-RW and picture CDs. Included is a car adapter, headrest mounting bag, carrying case and full-function wireless remote.

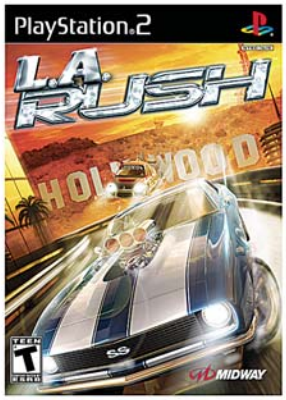
VIDEO GAMES

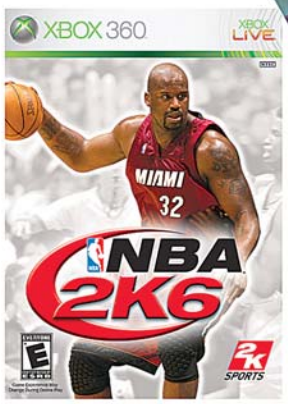












PLAYSTATION 2

EYETOY PLAY 2: OPERATION SPY
SONY COMPUTER ENTERTAINMENT AMERICA

• Using the EyeToy USB video camera, Play 2 lets you see yourself in the game as you play air guitar, table tennis and more. Go for spy training as "Operation Spy" puts you in the middle of a range of desperate assignments or in charge of creating a surveillance security system. Face recognition and video recording are now possible, thanks to the EyeToy's increased photo resolution.

DANCE REVOLUTION EXTREME 2
KONAMI

• Add to an all-new 70+ song soundtrack integration with EyeToy and online dancing competition against others – it's no wonder everyone gets dance-crazy once this starts up. The Work Out tracks calories as you boogie off the pounds.

DESTROY ALL HUMANS/THQ

• Turning the tables on the classic "B" movie, you're the alien going after those pesky humans in a decidedly 1950s/retro world. Armed with death rays and zap guns to suck out their brains, humans will be terrorized by futuristic weaponry on land and in the sky.

ROMANCING SAGA/SQUARE ENIX

• With its free-roaming system (not to mention great music, sound effects and voice-overs), this role-playing game adapted from the *Super Famicon* title never released in the U.S. has hours of rich 3D graphic adventures and battles to pursue.

LEGO STAR WARS: THE VIDEO GAME
EIDOS INTERACTIVE

• All the excitement of *Star Wars*, only everything is Lego'd, from characters to backgrounds and more. A fun ride for the younger set and a definite chuckle for anyone who has spent too much time watching Lucas's space saga.

L.A. RUSH/MIDWAY GAMES

• This over-the-top, arcade-style, racing thriller features more than 50 licensed and concept cars careening madly, crashing insanely and having you take shortcuts that should easily shorten one's life-span. Plenty of tunes, too, since this is tied in with MTV.

XBOX

WALLACE AND GROMIT: THE CURSE OF THE WERE-RABBIT
KONAMI

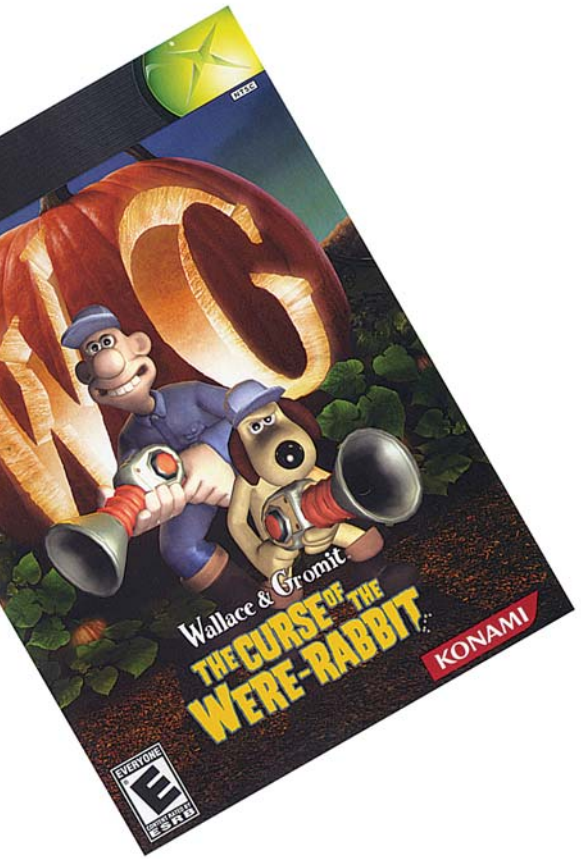
• The movie had you watching, but now it's time to wake up and smell the cheese as you help one addled inventor and his long-suffering dog save the veggies! Plenty of gadgets and places to try them out, too; graphics emulate the film and humor is just around the next bend.

TIM BURTON'S THE NIGHTMARE BEFORE CHRISTMAS–OOGIE'S REVENGE/BUENA VISTA GAMES

• With the spirit of askance fun that one expects, action begins where the movie left off, and Jack must take on Oogie and his henchmen using clever moves, amazing costumes and quick wits, all in an environment that apes the film in startling fashion.

STAR WARS BATTLEFRONT II
LUCAS ARTS

• Battle as good or bad in this massive title that pulls all the battles of *SW* together. Fight with lightsaber, blaster, on land, in the air or outer space. Designed to get you going fast, check out those never-before-played environments.



DOOM 3: RESURRECTION OF EVIL/ACTIVISION

• The storyline can wait – grab a weapon and start fragging away. It's multiplayer carnage when you want it and even bonus content with a classic version of *Doom II* built-in. Demons can be tough opponents, so you be tougher.

FROM RUSSIA WITH LOVE ELECTRONIC ARTS

• It's James Bond the way it should be – with the classic lines of Sean Connery as Bond visually, and the actor doing the voice-over. Work through classic scenes plus new scenarios taking place in the world of the 1960s and all the gadgetry that comes with it – meaning fast cars and social multiplayer experiences.

THE MATRIX: PATH OF NEO ATARI

• It's tough being number one, especially when you're living in a dream world created by intelligent machines. As designed by the movie's creators, all of the challenges (and perks) come your way: bullet-time moves, the kind of fighting that can't happen anywhere else and new powers to explore and exploit as locations and new characters make themselves known.

XBOX 360

NBA 2K6/2K SPORTS

• Basketball like you've never seen it, with muscle-driven body morphs, ultra-high-resolution detail and realistic player head-and-eye tracking. All the most current player transactions, off-season movement and rookie signings for the 2005-06 season. Plus NBA basketball arenas and even realistic clothing effects, thanks to the console's dynamic light-rendering abilities.

MADDEN NFL '06 ELECTRONIC ARTS

• A life-like football experience that is true to the emotion and passion of the NFL; the realism of players, stadiums and fans pushes gameplay to the edge. There's a full franchise mode, in-depth online play and all of the fast-moving, hard-hitting action expected.

CONDEMNED: CRIMINAL ORIGINS SEGA OF AMERICA

• Experience psychological tension alongside brutal action in this game of tracking serial killers as a member of the FBI. Turn up the surround sound, turn down the lights and hope your skills and instincts will pan out. Mostly hope you can survive amidst intelligent enemies who learn from your actions even as you attempt to zero in on them.

RIDGE RACER NAMECO HOMETEK

• Tear across the finish line as you battle other racers for global dominance. Over 230 races and online action put your nerves and reflexes to the test in head-to-head racing that features dynamic views and awesome sound.

CALL OF DUTY 2 ACTIVISION

• Fight through WWII hell with a level of intensity previously unimagined. Visuals and sound pound at your eyeballs even as immersive battles and combat fly in your face. Join multiple campaigns amidst open-ended battlefields as you work with fellow soldiers to win the day.

TONY HAWK'S AMERICAN WASTELAND/ACTIVISION

• Skate or bike to your heart's content; customize like crazy as you travel through the vast urban terrain of Los Angeles. Choose missions like you choose tricks – as it suits your fancy.

NINTENDO DS

TRAUMA CENTER: UNDER THE KNIFE/ATLUS USA

• As a doctor fresh on the job, you'll be required to perform any of a series of operations in this role-playing thriller. Listen to the chief surgeon's advice and heed the head nurse; the touch screen enables a "hands-on" approach as you cut, probe and sew your way through the ER. It's not for the squeamish...

NINTENDOGS/NINTENDO

• Adopt and raise a puppy; meet and greet other dogs in the park; show off the tricks you've taught your canine. These and other tasks await you, as the touchscreen and microphone allow you to interact with your virtual pets in ways you never thought possible.

THE PSP

THE CON SONY COMPUTER ENTERTAINMENT AMERICA

• Fight in illegal underworld tournaments – the character has your own face thanks to "image export" technology. But it's also about betting and gambling on the results, and other PSP owners can take you on wirelessly.

GRAND THEFT AUTO: LIBERTY CITY STORIES ROCKSTAR GAMES

• Liberty City ain't any prettier on the small screen, and the action is just as intense. Explore and wreak havoc with all the "toys" that you expect, plus a few surprises.

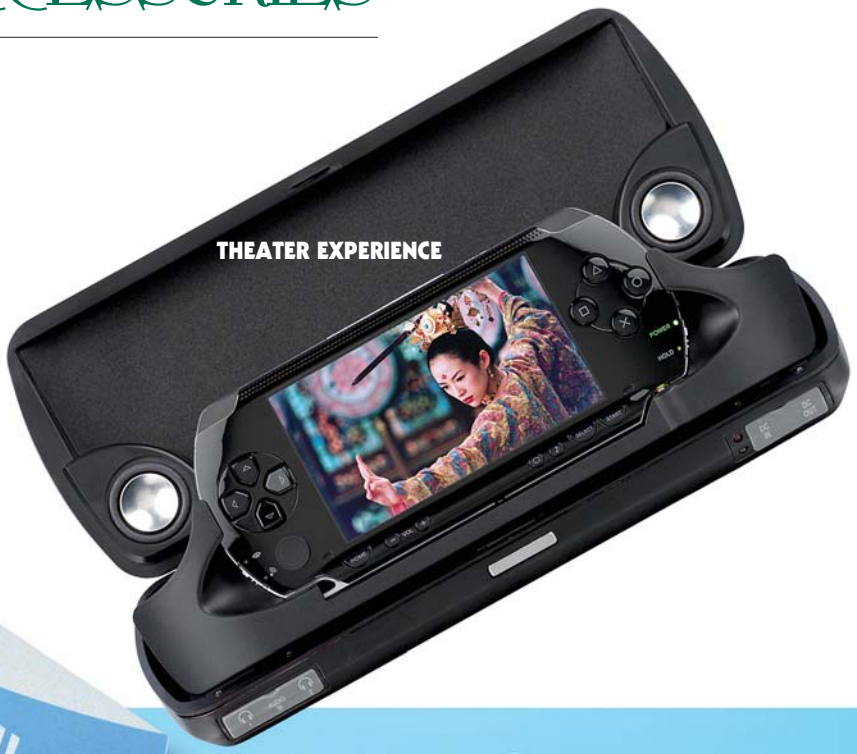
PINBALL HALL OF FAME CRAVE ENTERTAINMENT

• Pull the plunger back on any of 11 classic Gottlieb tables – Black Hole, Big Shot, Genie and more -- all featuring authentic visuals and sound effects. No quarters needed.

STEALTH MOVIE/GAME COMBO SONY PICTURES HOME ENTERTAINMENT

• In a first for UMD, both the full-length movie *Stealth* and an exclusive videogame [*WIPEOUT PURE: STEALTH* Edition] are packed together. The game provides specially-designed crafts from the movie and a customizable experience, plus speed levels add to the fun.

VIDEO GAME ACCESSORIES



THEATER EXPERIENCE

HDMI SWITCHER/SPLITTER

2GB MEMORY STICK

COCKPIT SIMULATOR CHAIR

THEATER EXPERIENCE FOR PSP
NYKO TECHNOLOGIES
WWW.NYKO.COM

• This compact case both protects as well as provides an added battery for longer use. Two high-fidelity stereo speakers and an adjustable stand convert the handheld into a portable home theater system. Two headphones can be plugged in for private listening.

MSX-M2GS 2GB MEMORY STICK PRO DUO
SONY ELECTRONICS
WWW.SONYSTYLE.COM

• Suitable for use in the Sony PSP (as well as other small digital devices), this two-gigabyte memory stick has plenty of space for storing digital video, images and music files.

RACING GAMING COCKPIT SIMULATOR CHAIR
MYS OF AMERICA
WWW.MUSHABURUIGAMING.COM

• Fully compatible with most racing wheel controllers on the market, this racing cockpit simulator can be adjusted for wheel height, angle and distance as well as allowing adjustment in seat and foot pedal distance. The molded bucket seat is set in a race position, much like that seen in CART and F1 racing. The entire unit is sturdy yet portable for ease of movement and storage.

4X2 HDMI SWITCHER/SPLITTER
GEFEN/WWW.GEFEN.COM

• Easily integrate new gaming systems, DVRs, DVD players and more. The 2x4 HDMI Switcher/Splitter connects up to four sources to one or two single-input HDTVs at the same time. Record, view and play with the unit switching to your source instantly.

CALLING ALL GADGETS

BARNEY'S BOWL-A-RAMA

LASER CADDY

STAR TREK PHASER

DESIGN-CENTRIC LCD SETS

I-DOG

STAR TREK PHASER
ART ASYLUM
WWW.ARTASYLUM.COM

• The only weapon worthy of Captain Kirk and company is now affordably reproduced in all its retro-futuristic glory. That includes true-to-the-series sound effects as well as the diminutive pop-off Phaser2 riding piggyback on the top.

ULTIMATE LIGHT SABER KIT
HASBRO/WWW.HASBRO.COM

• Tempted by the Dark Side but want to keep your options open? Then try this do-it-yourself kit that comes complete with visual and sound effects. It's easy to assemble and lets you build a weapon suitable for either side of the struggle.

HANNS.GOLF
HANNSPREE CALIFORNIA, INC.
WWW.HANNSPREE.COM

• Why should a TV be boring? That won't happen with any of these "design-centric" LCD sets. There are over 100 kinds, ranging from baseball-shaped with real leather and stitching to a firetruck with wheels and a ladder.

CIGAR CADDY; ZIPPO CARGO CASE/OTTERBOX
WWW.OTTERBOX.COM

• Travel in style with these waterproof, crush-proof cases. The two-stick and 10-stick Cigar Caddys are ideal for cigar enthusiasts, as they keep cigars fresh for months; the Zippo Cargo Case is the only DOT-approved case for Zippo lighters aboard airplanes.

BARNEY'S BOWL-A-RAMA GAME
ROCKET USA
WWW.ROCKETUSA.COM

• Get out your bowling shoes and prepare for a rousing game, Simpsons-style. Stand up this two-foot, all-tin bowling alley and see how good you are at knocking down those wooden pins using Homer as the bowler. Will you be all thumbs or let out a "Whoo-hoo" as you get a strike?

I-DOG/HASBRO
WWW.HASBRO.COM

• Place this little guy by a sound source and watch him move to the beat. His face even lights up to "express" how he's doing. I-Dog can also be plugged directly into a music system for more intense performances.

LASERCADDY 500G
NIKON/WWW.NIKON.COM

• Whether it's the next fairway shot or the shot of a lifetime in the field, this laser rangefinder offers compact, accurate and easy-to-use accuracy in measuring distances. It has bright, clear 6X optics and uses a long-life camera battery.

KEYPIX DIGITAL PICTURE KEY CHAIN/SPECTARE
WWW.TAOELECTRONICS.COM

• Family and friends are always close when viewing them on this one-inch, backlit, color LCD. Withboth single and slideshow modes, a rechargeable battery and the ability to hold up to 56 photos, this is one additon to your key chain you won't mind carrying around. Available in round, square and oval shapes. ●
