# DreamAuthentics Katana: Arcade Meet Kitchen Table

The Katana is basically a " tabletop arcade cabinet from DreamAuthentics" that brings classic games — like Pac-Man — into the comfort of your own home. One caveat: it'll set you back a hefty $2500. Eric Sofge of Popular Mechanics gives us a short video preview after the break.

> All of these controls are built into the case, as well as integrated speakers and a subwoofer, along with a 17-in. LCD monitor and an HP Slimline PC
