Dream Authentics

Hard-core video game fanatics constantly search for the ultimate platform. The Arcade team has partnered with Dream Authentics to showcase a universal game platform that can play virtually any game ever created using authentic arcade joysticks, trackballs, spinners, arcade monitors and flight sticks. Dream Authentics is the Official Video Game Cabinet of Arcade on maniaTV.

Dream Authentics cabinets harness a combination of the most up-to-date software applications and blends them in a smooth arcade cabinet that replicates the exact control and feel of commercial stand-up consoles found throughout arcades since the 80's. Their motto is: Game NOT over. So Get Your Game On.
